

## Exhibit 12

From Ms. Karen's official transcript with Police (Exhibit 9)

**Police Officer:** Can you describe this violence to me?

**Ms. Karen:** No you must ask the children because for my part, *I erased from my memory these facts of violence*. I give you my agreement so that the children can explain themselves”

**Question :** Pouvez vous me décrire ces violences ?

**Réponse :** Non il faut demander aux enfants car pour ma part, j'ai effacé de ma mémoire ces faits de violences. Je vous donne mon accord afin que les enfants s'expliquent. ---

**Ms. Karen:** To explain, Scott is very imposing by his size of 2 meters and he impresses me physically and especially when he is angry

Pour expliquer, Scott est très imposant par sa taille de 2 mètres et il m'impressionne physiquement et surtout quand il est en colère. ---

**Ms. Karen:** Scott threatened me in October 2012, to take my children away from me and as I felt demeaned by Scott who often said that I was capable of nothing, I believed it. ---

Scott m'a menacé en octobre 2012, de m'enlever mes enfants et comme je me sentais rabaisse par scott qui disait souvent que je n'étais capable de rien, je le croyais. ---

These statements by Ms. Karen are slanderous, and demonstrate that she will lie maliciously about Mr. Putnam to deflect from her admitted fragile self-esteem. She projects her own flaws and imperfections. Mr. Putnam never said she was “incapable”, but Ms. Karen nevertheless felt “she was capable of nothing” in her own psychological drama.
