

Exhibit 13

Days later after the Restraining Order was denied, and Ms. Karen was humiliated by having to pay for the waste of the Court.

Mr Putnam attempted to see his sons and take them on a hike. This photo shows what happened in the driveway of the family house.

Brig Putnam was physically restrained by Ms. Karen. Mr. Putnam could not intervene because he had just been falsely accused in Court of being “violent”.

Truly horrific behavior Ms. Karen. Soren watches from behind. Ms. Karen is actually the perpetrator of violence.
