

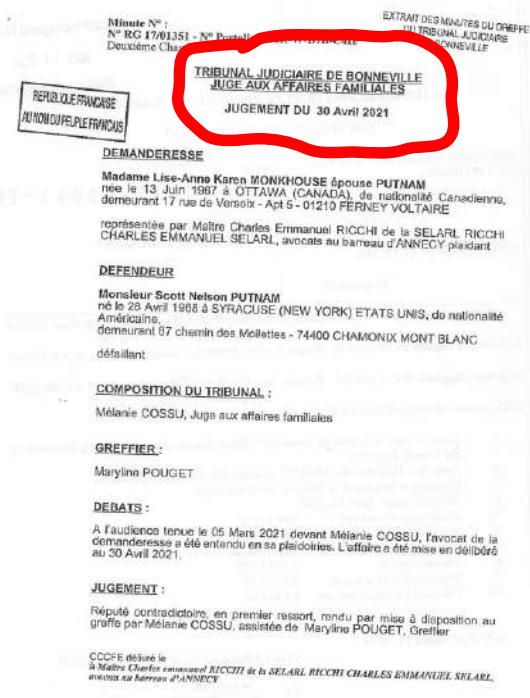

Exhibit 5

This fake divorce document, which is underlying document for Klickitat County Case 24-2-00043-20 was apparently obtained on 30-April-2021. This document explicitly says that the divorce declaration is **Ex-Parte**. Apparently, Ms. Karen thought she could get better terms on a divorce by not inviting him to the proceeding! Incredible. Neither Mr. Putnam nor his lawyers have never seen this document until April 2024 after Ms. Karen submitted it to Klickitat County, in March 2024.

Ex-Parte communication is also illegal in Klickitat County Superior Court – Listed in rule book, <https://klickitatcounty.org/DocumentCenter/View/14873/LOCAL-COURT-RULES---Klickitat-County>

On the right you can witness that Ms. Karen continued to conceal this document further by having it “served” to the adult live-at-home son Brig Putnam, rather than being “served” to the actual defendant Mr. Putnam on the filing date of 11-March-2024. Ms Karen was trying to keep is secret and sell the house before Mr. Putnam knew what shenanigans she was up to.
